Proposal: Outline Planning Application (means of access off Wanborough Road not reserved) for demolition and/or conversion of existing buildings and redevelopment to provide up to 2,500 homes (Use Class C3); up to 1,780 sqm of community/retail uses (Use Class D1/D2/A1/A3/A4); up to 2,500 sqm of employment use (Use Class B1); sports hub; playing pitches; 2no. 2 Form Entry primary schools; green infrastructure; indicative primary access road corridors to A420; improvements to Wanborough Road and associated works.

Resolved: The meeting agreed that the following comments be submitted

Covingham Parish Council would like the following comments to be taken into consideration for the above-mentioned planning consultation.

1. There must be a robust system to ensure that whoever has the responsibilities for the maintenance of the SuDS and other drainage systems continues with proper maintenance for all time.
2. The development should not be allowed to proceed until the Southern Connector Road has been constructed, and all construction traffic must use the SCR as the only route to the site.
3. Major issues are currently being experienced at school drop off and pick up times at the junction of Kingfisher Drive, The Harriers and St Pauls Drive due to parents driving to and from the school, which is causing severe congestion, irresponsible parking and sitting in their cars at inappropriate locations with the engines idling. It is unreasonable to expect children to walk from Lotmead, therefore the problem will be made worse. The Parish Council has no choice but to object to Covingham Park School being used for this development unless mitigation measures can be put in place to ensure that the situation does not worsen

Application: S/HOU/19/0614

Location: 19 Totterdown Close, Covingham, SN3 5DJ

Proposal: Erection of single storey side and rear extensions

Resolved: The meeting agreed that the following comment would be submitted

The Parish Council has no objections to this proposal

Application: S/ 19/0703

Location: Land East of The A419, Between Commonhead Roundabout and Land North of Wanborough Road, Swindon Wilts

Proposal: The construction of a new road, to link the A419 Commonhead Roundabout to the proposed New Eastern Villages (NEV) development including improvements to the existing Commonhead Roundabout and Pack Hill, new junctions with Pack Hill, The Marsh and Wanborough Road, new footway/cycleway and associated earthworks, drainage works and landscaping.

As the closing date for any comments is after the June meeting date, this will be deferred to the next meeting.

b) The meeting noted that the following application had been granted permission:

S/HOU/ 19/0374 – 10 St Andrews Green, Covingham – Erection of a first-floor side and rear extensions
