A tree survey will be carried out for all trees across Swindon Borough, and it is believed that Covingham's has already begun. Application: S/HOU/19/1401 (15th October 2019)

Location: 22 Peregrine Close, Covingham, SN3 5BJ

Proposal: Erection of a conservatory

Resolved: Covingham Parish Council agreed at its meeting on 7th October 2019, that it has no objections to this planning application.

b) The meeting noted that the following responses had been submitted between meetings:

Application: S/19/1221

Location: Mayhew Dental, 19 Covingham Square Covingham Swindon SN3 5AA

Proposal: Erection of a three-storey building to provide 12 no. flats and associated Works

Resolved: The following response was submitted:

In principle, Covingham Parish Council has no objections to this area of land being redeveloped.

However we **object** to this proposal for the following reasons:

A three-storey building comprising of 12 x 1 bed flats is overdevelopment of the area.

Access to the site is narrow and restricted to one vehicle at a time. There is no footpath provision within the site meaning pedestrian safety is of concern. The access road outside of the site is well used and cars are regularly parked on the double yellow lines reducing the width of the access road.

Parking - the comment in the planning statement referring to the public car park not being overused, is totally inaccurate. The car park is regularly full to capacity which results in cars being left on the access road on double yellow lines, blocking dropped kerbs and free passage is inhibited. Additional cars then use the adjacent sideroads causing congestion for residents and other vehicles wanting access.

The bin collection site is not secure. The fact that it has been noted that the bin lorries do not have to enter the site will obstruct access to vehicles making deliveries to the retail establishments and exacerbate the problems already being experienced as described above.

Drainage – should this application be approved we fully support the conditions made by the Lead Local Flood Authority and would expect full compliance.

Application: S/HOU/19/1284

Location: 33 Foxbridge, Covingham, SN3 5BP

Proposal: Erection of a porch to front

Resolved: Covingham Parish Council has no objections to this proposal

c) The Meeting noted that the following decision had been made:

Application: S/19/1158

Location: Patheon Building, Kingfisher Drive, Covingham, SN3 5BZ

Proposal: Installation of new external tanks and associated works. (Revisions to development previously granted under planning application S/18/0671) - Granted

Cllr Ricketts also confirmed that a VAT Reclaim for the six months from April has been submitted.

13. S137 Grant Request

The council considered a grant request for the Safe Drive, Stay Alive Campaign as presented at the meeting on 2nd September by the Group Manager, Dorset & Wiltshire Fire and Rescue Service.

Resolved: The council agreed that it supports this great campaign on educating young drivers. Cllr Ricketts proposed a grant of £500. Cllr Benfield seconded the proposal, to which the majority agreed as one Councillor had not seen the presentation, so abstained.

14. Swindon Borough Council Election Cycle Consultation

Swindon Borough Council are consulting with all residents and Stakeholders to change the election cycle from thirds to all out every four years, which if successful would commence in 2022. Covingham Parish Council has a choice to fall in line, meaning an election in 2020 as planned, with a shorter term of two years in office, and a further election in 2022 or to continue with the current cycle and hold standalone elections, where all costs would be borne by the Parish Council.

Resolved: Cllr Benfield proposed that Covingham Parish Council fall in line with whatever decision is made. Cllr Westall seconded the proposal and was unanimously agreed. **Action - Clerk**

15. ROSPA Play equipment inspection

Cllr Ricketts confirmed that ROSPA carried out the annual play park inspections on Friday 27th September in all three parks in Covingham, including the Adult Exercise Equipment. No major issues were reported. It was noted that the adult exercise equipment is in need of some cosmetic attention although this should still be under warranty. **Action – Cllr Curtis**
