Covingham Shops public toilets have been closed for several years. Recent vandalism has become more prevalent. While this falls under the remit of Swindon Borough Council, enquiries are being directed to the Clerk. Police are aware and monitoring the situation.

The retention of supporting documents for meetings was discussed, with the Clerk advising that this would depend on the content, including financial, contractual or confidential information. Minutes will be retained indefinitely and include sufficient detail to support future enquiries.

13. Speed Indicator Devices

Members received an update from Cllr J Ricketts. The new lithium iron phosphate batteries, purchased for the Speed Indicator Devices, arrived a month ago and have been tested. The lithium iron phosphate batteries are lasting longer than the acid batteries and appear to be holding their charge for longer. The new batteries are much lighter in weight which will be safer to move the signs and change the batteries. The recommendation is to proceed with purchasing four new lithium iron phosphate batteries, but there is no requirement for an additional charger, as the two purchased with the last order are sufficient. The data from the Speed Indicator Devices will continue to be collected and reported back to Council at a future meeting.

Proposed: Cllr J Ricketts

Seconded: Cllr S Wichall

Vote: Agreed unanimously.

RESOLVED: To approve the purchase of 4 x new lithium batteries up to the value of £300.00.

14. Vehicle Insurance

Members received and agreed to renew the vehicle insurance at the quoted cost of £789.32.

Proposed: Cllr S Wichall

Seconded: Cllr R Bacon

Vote: Agreed unanimously.

RESOLVED: To proceed with the vehicle insurance renewal at a cost of £789.32.

15. Flower Box Maintenance

The Chair advised that the volunteer maintaining five Parish Council sponsored flower boxes had relinquished the role. Members suggested obtaining annual maintenance costs from the Grounds Maintenance Contractor and bringing this to a future meeting for further discussion.

16. Trees for Climate

The Chair advised that there are no updates at present, awaiting delivery of the trees and progression of the project from Wiltshire Wildlife Trust and Swindon Borough Council.

17. Memorial Bench

Members received a request for a Memorial Bench in Covingham Park and reviewed the request against the Memorial Bench policy. At this time, the request has been declined due to not meeting the criteria set out in the policy. The location is also not suitable as there is already a bench in proximity and is the recognised access route into the park for the maintenance team, utilities, grounds maintenance contractor and highways.

During the discussion, Members agreed to review the policy and criteria.

Proposed: Cllr J Ricketts

Seconded: Cllr S Wichall

Vote: Agreed with two (2) abstentions.
